

## **Hardwick Park Café – Railway Line – Golf Course circular**

**4 miles, undulating, familiar paths and trails to Harriers. Not far but a nice feeling of open countryside.**

### **In brief**

A circular route, from the park, along the river below the quad bike circuits, then the old railway line, back past the golf course and the hotel.

### **In detail**

- From the café take the old parkrun route and then path left as if doing the Serpentine. This takes you alongside a field, through trees, right turn on the farm track and then down to path along the river. 1.1 miles (1.75km) when you get to the stile at the bottom.
- Follow this path (between the river and the quad bikes) until the railway line at 1.6 miles(2.6km). Turn right onto the railway line.
- Follow the line until 2.2 miles (3.5km) at a junction of paths. Turn right onto the path.
- This is the return path of the Serpentine route and takes you through trees with a right turn at 2.5 miles (4.1km).
- It brings you out on a track at the top of the golf course. Follow this straight all the way back to the hotel.
- At 3.2 miles (5.2km) turn left. This takes you behind the hotel.
- From here choose your own route through the park back to the café.
