

Serpentine Route (Modified)

Route 7

6 Miles

Start – Hardwick park

Trail

- 1) Start at the Tunnel near the dragon, Head up the hill to the start of Parkrun
- 2) Follow the Parkrun course along the long straight and down through the trees.
- 3) At the bottom of the hill head out the footpath gate and along the bridleway.
- 4) Through the gate into the little woods and after the next gate turn right.
- 5) Follow the road long and down next to trees and through a big gate. Turn Slightly right toward the footpath gate.
- 6) Through the gate and follow the path along the side of the bike track. Through the double gates and along the side of the field. Through the next gate and straight over at the path crossroads
- 7) Follow the bridleway to almost BM and then take a sharp right
- 8) Follow the path to the road and then over and through the footpath (this is on the handicap)
- 9) After the field turn left down hill and follow the path into the trees. When possible turn right on a switchback. Follow this path down and over the bridge. Straight over and up the side of the golf course
- 10) When you head into the trees over the little wooden bridge turn right across the golf course.
- 11) The path heads into the trees. Follow it up and stay on until you come to the horse field.
- 12) Turn right along the road to Hardwick hotel
- 13) At the road turn Right (Deviation from Serpentine) and up to the hotel entrance.
- 14) Use the pedestrian gate into the park and turn right down the grass hill. Along the back of the park following the path and keep the Lake to your left until you get into Temple field.
- 15) Turn left in temple field and along the side of the lake onto the main path again. Over the humpback bridge and round the other side of the serpentine
- 16) When you are almost finished take the left up to the tunnel again and rest.
